

Junior Service League of LaGrange  
Can-struct LaGrange 2021  
**GUIDELINES**

This event is created with the intent of hosting a canned food drive competition that will showcase themed structures built from full cans of food.

Any organization, company, or individual is eligible to enter a team in this local Competition. Participants may include but are not limited to: businesses, non-profits, schools, clubs, groups, churches.

Teams are responsible for acquiring canned food and/or funds needed for purchase of canned goods.

Teams are responsible for creating a unique design, building the structure, and taking a photo of the structure. Photos must include the whole structure, be clear, and submit the photo via the Photo Submission Form at [www.jsloflagrange.com/canstruct](http://www.jsloflagrange.com/canstruct)

There is no time limit or limit on the number of participants involved in the planning, logistics, design, or building. However, all photos must be submitted by February 19, 2021 at 11:59pm EST.

Structures must be built with unopened canned and non-perishable food items. Small paper props may be used to enhance design. Internal structural support may be used for 3D or cantilever designs (the whole interior of a vertical design does not need to be made of cans. Examples of leveling materials between rows of cans are sheets of foam core, masonite, MDF, acrylic sheets, cardboard, plywood, or similar.

All nutritious canned food is acceptable. NO alcohol, glass containers, pet food, expired or open packages of food allowed in the structure. All labels must be intact. Junk food is strongly discouraged.

When submitting the final Photo Submission Form, Teams must also include: the title of the structure, a written description, design concept, detailed list of foods and numbers of cans used. This information will be used for award purposes, statistics, and media content.

At the end of the competition, all food will be collected from the Team's location by JSL members and directly donated to the local non-profit West Georgia Star which serves the local LaGrange community. Please include your ideal days and times for pickup in the final Photo Submission Form.

Competition will be held virtually via the JSL Facebook group. One photo from each Team will be posted and the photo with the most number of "likes" after a 5-day period will be the grand prize winner. Prizes will also be awarded for: Most Cans, Best Unique Design, Structural Ingenuity, Best Use of Labels (color palette).

Grand-prize will be a top-tier sponsorship to the 2021 Taste of the Town event. All prizes for each of the 5 categories will be awarded in-person at the Taste of the Town event on April 10, 2021 from 5 - 10 pm.
